PLACE

*Redefining the
on-the-go lifestyle.*

Discover the simple pleasures of living close to, well, everything.

Life calls for four wheels often enough. But at RidgeGate in Lone Tree, two wheels—or two legs—can easily transport you to all your passions: theater, live music, shopping and dining, as well as soulful escapes into 1,000 acres of preserved open space. Park Meadows, SkyRidge Medical Center and DTC are close, too, and when you do need to head downtown, catch the light rail at nearby Lincoln Station. RidgeGate's mixed-use sensibility shows up in another beautiful way: a rich variety of home styles in distinct neighborhoods, such as Bellwether Place.

Take luxury to the next level.

Nestled in close to RidgeGate's best amenities, Bellwether Place is an intimate enclave of 18 luxury homes. As sleekly elegant as an urban brownstone, these homes also honor Colorado's relaxed outdoor lifestyle. Each home backs to the new Promenade Park and boasts outdoor living spaces, some with spectacular western views. Inside, expansive windows frame the dramatic landscape, while open floorplans and oversized kitchen islands add energy to every party and family get-together. Three plans range from 2 to 5 bedrooms and 2,900 to 3,300 square feet, and offer an optional elevator. All plans come with private backyards as well as common areas maintained by an HOA. Which leaves you more time to enjoy your new walkable, bikeable, vibrant community.
